Reflection in Me

By (author) Marc Colagiovanni , Illustrated by Peter H. Reynolds 🇨🇦

Mar 05, 2024 | Hardcover \$24.99

In the follow-up to *When Things Aren't Going Right, Go Left*, comes a heartwarming and joyful celebration of self-love from #1 *New York Times* bestselling creator Peter H. Reynolds and talented author Marc Colagiovanni!

"I like being you," said the reflection in the mirror. "To me, you are perfectly perfect."

This is a story of self-love that teaches children that their physical layer is just that -- one layer -- and below it lies a rich tapestry of attributes that make them unique and wonderful. Through Marc Colagiovanni's powerful text and Peter H. Reynolds's inspirational artwork, this picture book offers readers a wholly original exploration of self-love and self-acceptance.

Originally released as an animated short, which has over 1.4 million views on YouTube, this is the second of two new picture books created in collaboration with Marc and Peter that is sure to inspire, affirm, and reassure at key milestone moments in every young reader's life. *The Reflection in Me* serves to empower children and readers of all ages to find the courage to look inside and love themselves just as they are.

Contributor Bio

MARC COLAGIOVANNI is a children's book author who is currently a practicing attorney in the state of Rhode Island. While he is honored to be a part of the legal profession and enjoys the practice of law, his true passion is writing. He is the author of *When Things Aren't Going Right, Go Left* and *The Reflection in Me*, both illustrated by Peter H. Reynolds. Marc was born, raised, and currently resides in Cranston, Rhode Island, with his wife and three daughters.

PETER H. REYNOLDS is a *New York Times* bestselling author and illustrator of many books for children, including *Happy Dreamer*, *The Word Collector*, *Say Something!*, *Be You!*, and *Our Table*. He is also the illustrator of *When Things Aren't Going Right, Go Left* by Marc Colagiovanni. His books have been translated into over 25 languages around the globe and are celebrated worldwide. In 1996, he founded FableVision with his brother, Paul, as a social change agency to help create "stories that matter, stories that move." He lives in Dedham, Massachusetts, with his family.

Kaiah's Garden

By (author) Melanie Florence 🍁, Illustrated by Karlene Harvey 🍁

Jan 02, 2024 | Hardcover, Picture book, Paper over boards, Dust jacket | \$19.99

An uplifting story of a girl's connection to her beloved grandmother through the beadwork art they created together.

As she wakes up one dull morning, Kaiah feels as cold and grey as the day. She longs to be with her grandmother again. Kaiah's life doesn't feel right without her. But through Kaiah's treasured bead box — and the beauty it holds — she is with her grandmother, in a garden that is full of colour and love.

This beautiful story from award-winning author Melanie Florence celebrates the universal love between grandmother and child. Featuring bright, breathtaking illustrations from Tsilhqot'in and Syilx artist Karlene Harvey, the book also features back matter about the Indigenous tradition of beading.

Contributor Bio

MELANIE FLORENCE is an award-winning writer of Cree and Scottish heritage based in Toronto, Ontario. She was close to her grandfather as a child, a relationship that sparked her interest in writing about Indigenous themes and characters. Her picture books *Missing Nimâmâ* and *Stolen Words* received award attention and stellar reviews. Visit her at <https://www.melanieflorence.com/>.

KARLENE HARVEY is a Tsilhqot'in and Syilx illustrator who resides in Vancouver, British Columbia. She is the illustrator of *Drum from the Heart* and *Every Child Matters*. Karlene is an Indigenous Arts Advisor at the University of British Columbia, and when she's not making art she enjoys Tsilhqot'in language studies and writing her own stories.

Reviews

Praise for Melanie Florence:

"An emotional read, as the illustrations show mothers waving goodbye to their children and words being lost. As Grandfather revisits his native first language, the words fly back . . . Recommended." (*Stolen Words*) *School Library Journal*

"*Missing Nimâmâ* is heartbreaking. It's soulful and breathtakingly painful, and all the more so because of Melanie Florence's free verse text. Never have I read free verse so aptly applied in a picture book . . . *Missing Nimâmâ* is a haunting story of lives lost and lived and shared, beautifully rendered in words and art. Expect to see this one on award lists in the near future" (*Missing Nimâmâ*) CanLit for LittleCanadians

Evelyn is worried about Tessa. Tessa doesn't want to play the same games they used to play together, but Evelyn is determined to find new ways to connect with her older sibling. And she is also learning to see Tessa as non-binary and using new pronouns for them. Evelyn learns quickly that it isn't hard, and helps others see that too.

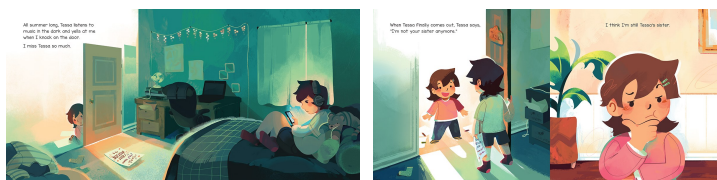

Through the course of this heartfelt story, Evelyn reaffirms her connection to her sibling and shows those around them how to make the effort to support Tessa — with love.

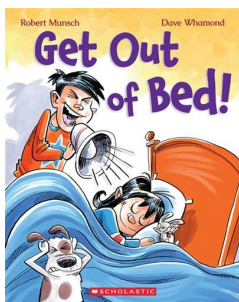

Back matter includes information on gender and ways to be a kind and effective ally.

Get Out of Bed! (Revised edition)

Revised edition

By (author) Robert Munsch 🇨🇦, Illustrated by Dave Whamond 🇨🇦

Jan 02, 2024 | Paperback, Trade, Picture book | \$8.99

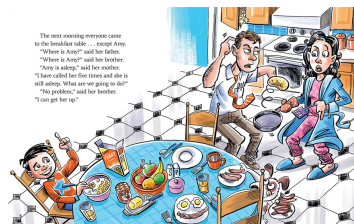

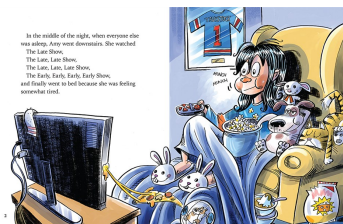

Sometimes it's hard to wake up!

Amy stays up late watching TV, and in the morning she doesn't get up for school. Her whole family tries, to no avail, to get her on her feet. Finally, they give up and take her to school in her bed. There she snores away, through math, through recess, through gym, through English, until her family has to come take her home again. The next morning she wakes up bright and early . . . but what has happened to the rest of the kids in the class?

First published in 1998, this classic Munsch tale has been reimaged with fresh and energetic new illustrations by Dave Whamond.

Contributor Bio

ROBERT MUNSCH started telling stories when he was teaching in a daycare, to get the kids to settle down. Now he is Canada's number one author for young readers with more than 80 books in print, including such bestsellers as *The Paper Bag Princess*, *We Share Everything!*, *So Much Snow!* and *Love You Forever*. Every one of his stories was first told aloud to children — and each one is dedicated to the kid who inspired the story. He is a member of the Order of Canada, has a star on Canada's Walk of Fame, and is a hero to generations of young readers. In 2021 he was nominated for the prestigious international Astrid Lindgren Award. Robert Munsch lives in Guelph, Ontario. Visit him online at <http://scholastic.ca/munsch/>. **DAVE WHAMOND** is the creator of *Oddrey* and *My Think-a-ma-Jink*, both winners of the Blue Spruce Award. He illustrated the Robert Munsch book *Braids!* He also has a syndicated cartoon strip called *Reality Check*, which appears daily in a number of North American newspapers. Dave lives in Calgary, Alberta.

Interiors**Reviews**

"Munsch adds another winner to his growing list of popular picture books with this fresh, funny story that should be wonderful for both small-group read-alouds and lap sharing." (*Get Out of Bed!*) — *Booklist*

"Punchy slapstick fun." (*Get Out of Bed!*) — *Publishers Weekly*

"*Get Out of Bed!* takes the idea of sleeping in to a whole new level, and will satisfy [Munsch] fans' expectations of the absurd." (*Get Out of Bed!*) — *Quill & Quire*

"Few children will be able to resist the temptation to saw logs along with Amy as her brother, her parents, her dog, and even the school principal fruitlessly try to rouse her. Another crowd pleaser from this popular author." (*Get Out of Bed!*) — *School Library Journal*

The Inside Scouts 1

Help the Kind Lion: An Acorn Book (The Inside Scouts #1)

By (author) Mitali Banerjee Ruths 🍁, Illustrated by Francesca Mahaney

Feb 06, 2024 | Paperback, Trade | \$7.99

The Inside Scouts Viv and Sanjay help a lion with a leaky heart in this full-color early reader series!

Pick a book. Grow a Reader!

This series is part of Scholastic's early reader line, Acorn, aimed at children who are learning to read. With easy-to-read text, a short-story format, plenty of humor, and full-color artwork on every page, these books will boost reading confidence and fluency. Acorn books plant a love of reading and help readers grow!

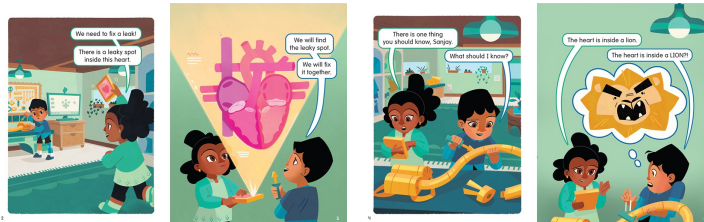

Viv and Sanjay are the Inside Scouts! Together, they help animals. They have a cool superpower -- they can shrink super small. When a lion with a leaky heart needs help, the Inside Scouts know what to do! They put on their suits, grab their tools, and get really small. They go inside the lion to find the leaky spot. And they fix it together!

This series introduces beginning readers to the human body through mammals with similar anatomy -- and it does so in really fun ways! In this first book, readers learn about the circulatory system as Viv and Sanjay fix the lion's heart! With color-coded speech bubbles, easy-to-read text, and light nonfiction content, these engaging STEM-themed stories are the perfect fit for new readers!

Fairest of All: A Graphic Novel (Whatever After #1)

By (author) Sarah Mlynowski 🍁, Illustrated by Anu Chouhan 🍁

Apr 02, 2024 | Paperback, Trade | \$16.99

The magic of the *New York Times* and *USA Today* bestselling *Whatever After* series comes to life in this brand-new graphic novel adaptation! Fractured fairy tales have never been this fun.

Once upon a time, Abby and her little brother, Jonah, were ordinary kids. The next minute? The mirror in their basement slurped them up and magically transported them into the fairy tale of Snow White.

Yes, really!

When Abby and Jonah stop Snow from eating the poison apple, they think they're heroes. But wait! If Snow White doesn't die, she won't meet her prince and get her happy ending. Oops.

Now it's up to Abby and Jonah-- with some help from Snow and the seven dwarfs--to outwit the witch and save the famous fairy tale in time.

But what if Snow's REAL happy ending is something else entirely?

Bestselling author Sarah Mlynowski and award-winning illustrator Anu Chouhan join forces to bring us this vibrant, action-packed, enchanting graphic novel adventure that will appeal to fans of fairy tales, Raina Telgemeier, *The Land of Stories*, and magical, empowering adventures.

Hockey Super Six

Power Play (Hockey Super Six)

By (author) Kevin Sylvester 🇨🇦, Illustrated by Kevin Sylvester 🇨🇦

Feb 06, 2024 | Paperback, Trade | \$9.99

Meet six kids a lot like you. Except...

... Benny, Jenny, Karl, Starlight, DJ and Mo got zapped in an evil plot gone wrong — and they became the super-est team the world has ever seen.

In this new instalment, the Six are awoken from their icy prison only to find out there is a new villain (fallen former superstar Sam Boni, AKA Ned Doosa) on the loose, and he is kidnapping Canada's best hockey players. Why? To control their minds and assemble the best team of all time to win the Snowlympic Gold Medal.

Soon enough the Six get themselves into Boni's inner sanctum and must participate in an all-or-nothing game with this new superstar lineup. The losers will be tossed into the collider to create more energy. Can the Six win by losing? Yes. Will there be hockey action and non-stop laughs along the way? Yes and yes.

Join the Six in this seventh instalment of their madcap quest to save the world through hockey!

Slugfest

By (author) Gordon Korman 🇨🇦

Jan 02, 2024 | Hardcover, Paper over boards, Dust jacket | \$22.99

From the New York Times bestselling author of *The Unteachables* comes a hilarious new story about a group of underdogs who come together when they are forced to attend summer school—for failing PE.

Yash is the best athlete at Robinette Middle School. So good, in fact, that he's already been playing on the high school's JV sports teams. Imagine his shock when he learns that his JV practices have kept him from earning a board-mandated credit for eighth-grade PE. To graduate, he has to take Physical Education Equivalency — PEE — which is also known as "Slugfest," in summer school.

At Slugfest, Yash meets the other students. Kaden is an academic superstar who's physically hopeless. Twins Sarah and Stuart are too busy trying to kill each other to actually pay attention in class. Jesse is a notorious prankster. Arabella protests just about everything — including mandatory PE. And Cleo is a natural athlete who has sworn off sports. Then there's their "coach," Mrs. Tamara Finnerty, a retired teacher whose idea of physical education seems to have frozen in preschool. But Yash doesn't care — as long as he gets the credit. Too bad one of his fellow "slugs" is determined to blow the lid off a scandal that could make all their time in summer school a waste. And if that weren't bad enough, Yash is in danger of losing his star spot on the JV football team.

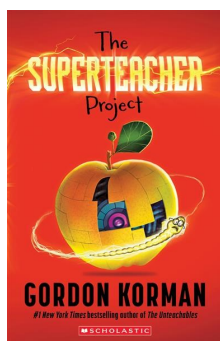

So Yash recruits his fellow PE rejects to train with him. Spending the summer with the most hapless crew in school can really surprise a person. And their teacher might be hiding the biggest surprise yet . . .

The Superteacher Project

By (author) Gordon Korman 

Jan 01, 2024 | Paperback, Trade | \$11.99

It's *The Unteachables* meets *I, Robot* in another funny middle school tale from Gordon Korman!

It's the start of a new school year and Oliver is looking forward to a seventh-grade year full of spitballs, jokes and pranks with his friend Nathan. And their new homeroom teacher, Mr. Aidact, looks like a prime target. He's an odd duck — with a weird, stilted vocabulary, an unusual way of looking at things, and a strangely old student teacher constantly in tow. He also has a seemingly superhuman ability to detect and defuse almost every one of Oliver's schemes.

But that's not all of it. Mr. Aidact seems to be teaching pretty much every subject. He's willing to take over jobs no other teacher will, like supervising detention and coaching the field hockey team. Oliver and Nathan are determined to find out what is up with this guy.

What they uncover is out of this world!

Mr. Aidact is, in fact, superhuman — he's an android, a secret project of the Department of Education. And when the secret leaks out, the school and the PTA are in an uproar, and calls for his "deactivation" are loud and clear.

Reviews

"In this funny and provocative outing . . . Korman, as usual, takes the side of the kids. Relayed by multiple narrators, the tale offers both different perspectives on effective teaching methods and food for thought about the notion of "personhood." — *Booklist* (starred review)

"This novel has Korman's trademark humor, fast pace, alternating points of view, and raucous climax. Through his understanding of what makes middle schoolers tick, Korman writes the books kids love to read and teachers ought to read." — *School Library Journal*

"Gordon Korman continues his winning streak of high-octane, character-driven, kid-centric and uncannily topical novels with a book looking at the not-too-distant future of AI in education. *The Superteacher Project* is undoubtedly up there with Korman's finest." — *CM Canadian Review of Books*

Iggy Included

By (author) Deborah Kerbel 

Feb 06, 2024 | Paperback, Trade | \$10.99

A girl, a dog, and a summer they won't forget.

Twelve-year-old Paige Coopersmith and her family have won a house in an essay-writing contest. Excited to leave their cramped apartment and move to a sprawling property in rural Ontario, they're more than a little surprised to find the house is old and in need of major repairs. They're even more shocked to discover that Iggy — the old dog who lives there — comes with the house. Apparently it was all in the fine print!

Due to financial stress, and with nowhere else to go, the family stays. Paige, who is scared of the large, unkempt Newfoundland dog, does her best to stay out of her way, while her parents deal with an unusual list of instructions from the previous owner.

But girl and beast soon form a special bond, when Paige, a hesitant reader, practises her reading out loud and discovers that Iggy loves to be read to.

Little does Paige know Iggy is even more special than she realizes. In fact, someone else has their eye on her, and when Iggy goes missing, it's Paige who must solve the mysteries of this unusual house and find her now beloved dog.

Summer's EndBy (author) Joel A. Sutherland 

Apr 02, 2024 | Paperback, Trade | \$12.99

- Best Books for Kids and Teens, Canadian Children's Book Centre 2017, Commended
- OLA Red Maple Award, Fiction 2018, Short-listed
- Snow Willow Award (Saskatchewan Young Readers' Choice) 2018, Short-listed

One terrifying summer can stay with you forever.

It's the summer before high school and Jacob and his friends are determined to make it a memorable one. This may be the last couple of months they have together; once school starts, they'll be going their separate ways: Ichiro's family is moving to Japan, and while Jacob and the twins, Hayden and Hannah, are staying behind in Valetton, they'll be going to different high schools. When they discover an old, abandoned home on a remote island of their Muskoka community, things suddenly take an unexpected turn. The kids find themselves inexplicably drawn to the house that had once been a sanatorium for children with tuberculosis and learn that it has some haunting secrets to hide.

A nail-biting novel from Canadian horror master Joel A. Sutherland — now with an even creepier new look.

Other Side of Perfect

By (author) Melanie Florence 🇨🇦, By (author) Richard Scrimger 🇨🇦

Apr 02, 2024 | Hardcover \$25.99

Two kids from two different worlds form an unexpected friendship in this lens into the interworking of empathy. Told in alternating narratives, *The Other Side of Perfect* is infused with themes of identity, belonging, and compassion, reminding us that we are all more than our circumstances, and we are all more connected than we think.

Cody's home life is a messy, too-often terrifying story of neglect and abuse. Cody himself is a smart kid, a survivor with a great sense of humor that helps him see past his circumstances and begin to try to get himself out. Autumn is a wealthy girl from an indigenous family, who has found herself in with the popular crowd even though it's hard for her to want to keep up.

But one night, while returning home from a movie, Autumn comes across Cody, face down in the laneway behind her house. All Cody knows is that he can't take another encounter with his father like the one he just narrowly escaped. He can't go home. But he doesn't have anywhere else to go. When Autumn agrees to let him hide out in her dad's art studio, Cody's story begins to come out, and so does hers.

Meet Clara Hughes (Scholastic Canada Biography)

By (author) Elizabeth MacLeod 🍁, Illustrated by Mike Deas 🍁

Jan 02, 2024 | Hardcover, Picture book, Paper over boards | \$18.99

Meet Clara Hughes — athlete, Olympic medalist and mental health advocate.

Clara is still the only person in the world to ever win multiple medals at both the Summer Olympics and the Winter Olympics. But perhaps her biggest accomplishment is the work she has done to help others.

Growing up in Winnipeg, Clara liked sports. She wasn't a top athlete and was headed down a bad path until the fateful day she watched speed skater Gaétan Boucher compete at the 1988 Winter Games. Clara decided she would do that too. It was to be a life-changing decision, one that set her on a course of training, competing and winning at the Olympic level in not just one but TWO sports. But as the world was cheering her on, Clara didn't feel right inside. She finally realized that winning all the medals in the world wouldn't make her okay — she had to work as hard on her mental health as she did on her training. Maybe even harder.

Young readers will get the inside story of Clara Hughes's inspiring life and how she learned to not only take care of herself, but to inspire others to do the same.

The Scholastic Canada Biography series focuses on fascinating people who have shaped Canada's past and present. Written by acclaimed author Elizabeth MacLeod, each book also features comics-inspired illustrations by Mike Deas.

Monarch Effect: Surviving Poison, Predators, and People

By (author) Dana L. Church 

Apr 02, 2024 | Hardcover \$26.99

A not-so-typical look at the mysteries of the monarch butterfly

Scholastic Focus is the premier home of thoroughly researched, beautifully written, and thoughtfully designed works of narrative nonfiction aimed at middle grade and young adult readers. These books help readers learn about the world in which they live and develop their critical thinking skills so that they may become dynamic citizens who are able to analyze and understand our past, participate in essential discussions about our present, and work to grow and build our future.

With their stunning black-and-orange wings, monarch butterflies are one of the most recognizable insects on the planet. But despite their delicate beauty, these creatures are warriors. The moment they hatch, they're fighting for their lives. Everything is the enemy: from the very leaf they live on to the humans and animals around them to nature itself. How does such a tiny egg survive to become a butterfly? And even after emerging from the cocoon, unimaginable danger awaits: migration.

Every year, monarchs take flight, making one of the greatest migrations in the world. However, for a long time, their destination was unknown within the scientific community. Through the research of scientists in Canada and the United States and the support and efforts of ordinary people as well as Indigenous knowledge in Mexico, that mystery was finally solved. But to do so would involve years of searching across three countries and encounters with feuding scientists, the consequences of colonialism, and life-and-death stakes.
