

HELLO, I'M THEA!

I'm *Geronimo Stilton's* sister.

As I'm sure you know from my brother's bestselling novels, I'm a special correspondent for *The Rodent's Gazette*, Mouse Island's most famous newspaper. Unlike my 'fraidy mouse brother, I absolutely adore traveling, having adventures, and meeting rodents from all around the world!

The adventure I want to tell you about begins at Mouseford Academy, the school I went to when I was a young mouseling. I had such a great experience there as a student that I came back to teach a journalism class.

When I returned as a grown mouse, I met five really special students: Colette, Nicky, Pamela, Paulina, and Violet. You could hardly imagine five more different mouselings, but they became great friends right away. And they liked me so much that they decided to name their group after me: the Thea Sisters! I was so touched by that, I decided to write about their adventures. So turn the page to read a fabumouse adventure about the

READY TO GO!

It was dawn at Mouseford Academy. A light summer **BREEZE** fluttered through the open window, tickling Colette's nose.

The mouselet rolled over in bed and opened her eyes just enough to see the light **filtering** in from outside.

“Ugh.” Colette sighed. “Is it time to get up already?” But then she smiled suddenly, sitting straight up in bed.

“Pam!” she called to her roommate. “Today's the day! We're finally **LEAVING!**”

But there was no answer.

“**Pam?**” Colette called out. She peered across

the room at the bed next to hers in the semidarkness.

The bed had been perfectly made and the **pajamas** were neatly folded. Colette noticed the two humongous **backpacks** by the door, packed and ready to go. They were in the exact spot where she and her friend had placed them the previous night.

“Where would she have gone so early?” Colette wondered aloud. Their flight didn’t leave until the afternoon. She immediately texted the other **THEA SISTERS**. They hadn’t seen Pam that morning, either!

“Maybe the **excitement** of the trip woke her early with a big appetite and she went straight to breakfast,” Nicky said when she, Violet, and Paulina joined Colette a few minutes later.

“That could be,” Paulina replied, smiling. “She’s probably waiting for us in the cafeteria right now, ready for a second **breakfast!**”

“Well, let’s go find out if you’re right!” Colette said.

Her friends followed Colette out of the mouselets’ bedroom and into the deserted hallway. Then they scurried toward the cafeteria.

Summer **Vacation** had started a few days ago, and most of the students had already left, so the campus was unusually quiet.

The four friends were right outside the cafeteria when they heard a voice from inside.

“We’ll land in **CHICAGO** and our road trip will begin from there!” Pam squeaked excitedly.

Colette, Nicky, Paulina, and Violet stepped into the cafeteria. Pamela had a map of the **United States** laid out on a table, and she was using cups, saucers, and cutlery to show Craig and Shen the itinerary for their trip.

“We’ll rent a camper and drive across the country from east to west along the famous **ROUTE 66**,” Pamela continued. She pointed at the map with a teaspoon to highlight the
