

Planning a Newspaper

Preparation:

Do a scavenger hunt through a newspaper to review the parts of a newspaper. This will be a good review before you begin to plan your *Turned Away* newspaper. Cut out an example of each of the following items from your newspaper:

- Headline
- Lead story
- Index
- Editorial
- Feature story
- Advice column
- Classified ad
- Movie review
- Obituary

Activity:

Work in a group to create a newspaper for *Turned Away*. It should focus on the characters, events and time period of the diary. Include as many actual parts of a newspaper as possible. Some sample topics are included for you in italics.
