

How to do Granddad Bob's
EXCELLENT CARD TRICK

Take your pack of cards and when
no one is looking, sort them into
TWO PILES:

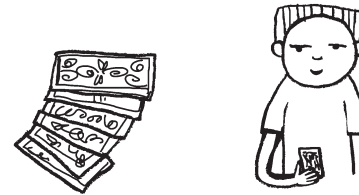

(Yes, it's THAT simple!)

Then offer ONE of the piles of cards to the
person (or people) you're playing the trick on.

* Don't let them SEE
the cards are all
ONE colour!

Now ask them to
look at the card,
REMEMBER it, and
**PUT THE CARD
BACK...**

IN THE OTHER PILE OF CARDS

Now you can SHUFFLE the cards and
pretend to be trying to FIND their card.
But REALLY ... it will BE EASY! It will
be the ONLY RED card in the black cards.

Everyone will think you're

AMAZING
