

Summer Reading Program

Help students and families build up a collection of books to read over the summer by hosting a Summer Reading Discount Fair.

Schools that host two Scholastic Book Fairs in the current school year are eligible for this literary event where all books are "Buy One Get One Free"! It's your way of thanking your school community and providing an exceptional value on books.

Did you know?

Children need to read four books over the summer in order to maintain their current reading level?

Enfants-Santé

How It Works

Scholastic Book Fairs will donate 50%, in books, of your school's net sales* from your Summer Reading Discount Fair. Donations will be distributed to designated children's hospitals in or near your community as part of our partnership with Children's Miracle Network, as well as to Big Brothers Big Sisters agencies.

*For example, if your net sales are \$5,000, we will donate \$2,500 in books on your school's behalf.

Due to your generosity, over
★ **377,300** ★
books have been donated to children throughout Canada.
