Grades 1-3

112 pages

Red Case / Chapter Books

About This Book

Getting picked on by bullies at school? Wish you had a special friend? Meet Ricky Ricotta and his giant flying robot.

Dr. Stinky McNasty — a bad rat scientist — is up to no good. He wants to take over the entire city of Squeakyville. He has built a monstrously-sized robot and orders it to destroy the city! But to Dr. McNasty's surprise, the giant, gentle robot refuses and, with Ricky Ricotta's help, the robot gets away!

Soon, nobody can pick on Ricky Ricotta anymore, and he and his robot get to teach those bullies a lesson.

Originally published in 2000, this edition features brand-new full-colour illustrations and mini-comics throughout!
