## PARENTS: DID YOU KNOW?

Reading at home on a daily basis can impact a child's success in school and in life.

A home library is an **idea space** where children expand their

knowledge and vocabulary, and develop stronger thinking skills.

**Be involved.** Learn about your children's

interests and preferences. Help them build an idea space filled with books they can read alone... and with you.

See how your involvement can make a difference. View the video at [scholastic.ca/bookfairs](http://scholastic.ca/bookfairs).

Help grant **Book Wishes** one classroom at a time!

Look for the Classroom Wish List display when you visit the Fair. By purchasing just one new book for your child's classroom library, you're giving young readers even more access to the books they **WANT** to read!

For more information on how the program works, go to [www.scholastic.ca/bookfairs](http://www.scholastic.ca/bookfairs) and click on Classroom Wish List.

Program available at participating schools.

Every family that visits the Fair has a chance to win!

Win **\$25** for your home library!

Plus **\$25** for the classroom!
