

# Arctic Adventure Polar Bear Footprint Template

## Supplies:

- Scissors
- Pencil
- Cardboard
- Utility knife
- Sidewalk chalk

## Directions:

1. Print and cut out the footprint template on page 2 and trace it onto a piece of cardboard with a pencil.
2. Cut the footprint out of the cardboard with a utility knife. *(For safety purposes, we recommend wearing leather gloves when using the utility knife — never leave the utility knife where children can pick it up.)*
3. Create footprints along a sidewalk by filling in stencil with sidewalk chalk.
