

Meet Destiny – a cool, energetic, and strong-willed young girl who approaches every day with her own signature style! That is, until she moves to a brand-new neighbourhood, where nothing looks quite the same as it did at her old house. Even with new challenges and new friends to make, Destiny always has a plan. With a few reminders from her loving family, and after remembering what being the Fresh Princess is all about, she may just take the leap and jump right in! This is the perfect book to encourage kids to proudly stand out and be themselves!
