About This Book

Packed full of the SCARIEST THINGS on Earth!

What if you had to fight a great white shark? Or cross a wobbly wooden bridge over a canyon? Or what if you were caught in a storm — and it looked like it was raining blood? You can read about all of these terrifying things in *100 Scariest Things on the Planet!* If you've ever wondered about alien encounters, deadly creatures, and real-life monsters, you'll love this compendium of all things scary! With interesting facts, side panels, and scariness ratings, everyone will enjoy reading about all the things that keep them up at night and learning the truth behind their favourite fears. Best of all, you're sure to find new things to scream about!
