About This Book

Emily — the requisite prophecy fulfiller with unharnessed powers — and her friends think they'll find the help they need in Cielis, but they soon find out that it is not the utopia they expected to find. Streets that were once busy are deserted, and the townspeople left to live in crippling fear. Soon after arriving, Trellis and Luger are taken prisoner. Emily is escorted to the Academy where she's expected to compete for a spot on the Guardian Council, the powerful group of Stonekeepers who govern Alledia.

As the number of competitors gets smaller and smaller, a terrible secret is slowly uncovered — a secret that, if left buried, means certain destruction of everything Emily fights for.
