## About This Book

When Katarina Bishop was three, her parents took her to the Louvre...to case it. For her seventh birthday, Katarina and her Uncle Eddie traveled to Austria...to steal the crown jewels.

Now, Katarina is fifteen and with the hopes of leaving her life as a criminal behind has enrolled in the top boarding school in the country. Unfortunately, leaving “the life” for a normal, safe existence proves to be much harder than she thought. This becomes especially true when Kat’s friend (and former co-conspirator), Hale, appears out of nowhere to bring her back to the world she’s trying to escape.

Katarina faces a tough choice when she learns that a powerful mobster’s priceless art collection has been stolen. Only a master thief could have pulled off this job, and Kat’s father isn’t just on the suspect list — he *is* the list. Caught between Interpol and a far more deadly enemy, Kat’s dad needs her help. There is only one solution: track down the paintings and steal them back. No matter how impossible the job, Katarina is up for the challenge — especially with her team of teenage crooks by her side. She has two weeks to pull it off — and with any luck, steal back her life along the way.
