About This Book

“Much like homework, pimples, and puberty, your second summer at School of Fear is not optional. Any acts of insubordination such as claiming the death of a beloved pet, amnesia, or enrollment in sleepaway camp will be met by my lawyer, Munchausen — quite literally. On behalf of myself, my comb-over-clad assistant Schmidty, Macaroni the bull dog, and my highly trained cats, we look forward to seeing all of your Vaseline-coated smiles terribly soon.” — Mrs. Wellington

In this hilarious follow-up to *School of Fear*, eccentric headmaster Mrs. Wellington ~~demands~~ requests the presence of Madeleine, Theo, Lulu, and Garrison for a mandatory summer of retraining after discovering that each of her former students has secretly regressed. Facing their fears was terrifying enough, but when the foursome learns they'll be joined by a fifth student, things start to get even scarier.

To make matters worse, the students quickly find themselves tasked with saving their school. And because failing means spending the rest of their lives with unresolved phobias, this is one test they *all* plan to ace.
