About This Book

*Happy Birthday to you ...
Happy Birthday to you ...
Happy Birthday dear ... gasp!*

Birthdays are truly special — and Belle the Birthday Fairy is the one who makes them that way!

It's her job to make sure that birthdays are filled with happiness and magic, along with delicious treats. But icy Jack Frost does not enjoy his birthday. If he can't have fun, no one else will either! He decides the best way to make sure no one enjoys their birthday is to steal Belle's three magic presents. Now it's going to be a very unhappy birthday for everyone!

Can Rachel and Kirsty help save birthday bashes everywhere, or is Belle's magic lost forever?
