

Booktalk!

Coke or Pepsi? Universe Dude No. 2 Write! Draw! Destroy!

Written by Mickey & Cheryl Gill
128 pages
Teen Case/Amazing Reads

About This Book

The manual for all things boy is back with a vengeance!

Fill a “junk drawer” page, create a bug-infested comic strip of your life, or simply build an over-the-top extreme sandwich! Plus - questions about what would happen if you were President or if you could lead a double life. Record amazing sports plays, black holes, and the food that goes into your gut. Gross!

Inside the 5.5” by 7.25” book is everything a dude needs to survive!

Which is scarier? – Frightening and funny scenarios! Choose which situation would be most terrifying. Includes spine-tingling graphics!

Parent and Teacher Questions – Inject some humour at home and school! Stump parents and teachers with off-the-wall questions. Or...keep them guessing with totally weird antics!

Coke or Pepsi? & Would You Rather Questions – Brand-new questions to keep everyone laughing!

Down and Dirty – Interactive pages for drawing on, ripping up, and even leaving outside for a while.

Locker / Door Signs – Hysterical messages to cut out and post in a bedroom, locker, or on a bedroom or bathroom door!

Danglers and Masks – Awesome and sometimes ridiculous graphics to hang from the ceiling or wear as a disguise.

Tests and Quizzes – Cool and completely absurd examinations for dudes, friends, and family!

It is the return of the Dude! Yeah, that’s you!
