About This Book

Danger follows Cammie Morgan everywhere. She knew when she enrolled in the Gallagher Academy that she was preparing for the dangerous life of a spy; she just never thought her life would be in jeopardy in her junior year!

“The Chameleon” can not hide from the ruthless terrorist organization that is dead-set on kidnapping her. She faced off against the organization two months prior, and the danger, to her horror will not dissipate.

Life gets even more complicated when a terrifying encounter in London reveals that one of her most trusted allies is a rouge double agent. Cammie begins to question everything and everyone. She doesn't trust her classmates, teachers, and *especially* not her own heart.

Can Cammie hack, spy, steal, and lie her way to find the answers she is looking for?
