About This Book

Howard is not used to losing. He wins every contest he enters — watermelon seed spitting contests, skateboard and pogo stick contests and more. But Howard is about to learn a very valuable lesson: No one can win ALL the time! But coming in second is NOT an option for this competitive bunny. So, he starts to cheat.

Will Howard risk losing all his best friends — just to be first? Or will he realize that there are way more important things in life than winning?
