About This Book

“Unless someone like you...cares a whole awful lot...nothing is going to get better...it’s not.”

Look out for the Lorax! Dr. Seuss’ lovable grump makes his *Step Into Reading* debut in this wonderland adventure, through hills of green where the Truffula trees sway.

Through easy words and simple sentences, the youngest readers will discover the classic world which makes up the Lorax’s paradise, from singing Swomee-Swans to playful Bar-ba-loots.

Tips, Scripts and More...

Long before saving the earth became a global concern, Dr. Seuss — speaking through his character, the Lorax — warned against mindless progress and the danger it posed to the earth’s natural beauty.

The story of the Lorax was first published in 1971, and is often recognized as a fable concerning industrialized society and the dangers waste can pose to nature.
