### About This Book

Danny Shine is OFF the loser list — and out for REVENGE!

Danny Shine might have gotten his name off the Loser List in the girls' bathroom, but he still has major issues: there's a new kid in town (Ty Randall) and he is causing Danny a lot of trouble! Ty seems perfect: handsome, serious, committed to worthy causes — everything Danny's not.

Will out-of-control jealousy wreck Danny's life, or can he undo the damage before it's too late?

All the highs and lows of middle school are brought comically to life in this personalized novel, full of drawings, charts and Danny's unique and hilarious take on 7th grade.
