About This Book

Ever wondered what lurks below the water's surface?

There are big, fast, mean monsters prowling, stalking and terrorizing villagers around the globe!

River Monsters will take you on a journey of almost every continent and show you that underwater legends are sometimes more than just tall tales. What you discover is not only ferocious, menacing, and deadly but also more powerful than you could ever imagine. This exciting reference book is packed with fun and interesting facts. Be sure to pay close attention... there is a quiz at the end!

Tips, Scripts and More...

Jeremy Wade has been called "the greatest angling explorer of his generation" by *The Independent Newspaper*. His extremely popular television show takes viewers where no wildlife program has ever gone before. Not only is Jeremy Wade a biologist and an extreme angler, he is also a writer specializing in travel and natural history. He grew up in the United Kingdom and studied zoology at Bristol University, afterwards he taught biology at a grammar school in Kent.
