A boy had a pet fly named Fly Guy.
Fly Guy could say the boy's name —

Buzz and Fly Guy walked through the gates of the White House.

“Cool!” said Buzz. “This is where the President of the United States lives and works.”

Fly Guy did a loop the loop. He was excited!

He zoomed ahead of Buzz and flew inside...

The address of the White House is 1600 Pennsylvania Avenue. It is located in Washington, D.C., the capital of the United States.

Hundreds of people work at the White House every day.

The Secret Service, the Chief of Staff, the Press Secretary, speechwriters, and several advisers work with the President.

And a team of chefs, butlers, maids, florists, electricians, and plumbers keep the place running smoothly.

There's even a
beekeeper!
