(Who's not in a band - yet.)

Scholastic Canada Ltd.

oxdoterek and Norman are coming over to my house later to write some NEW songs.

It's very important that we don't get distracted by anybody or ANYTHING ...

unless it's a snack break. THAT's allowed.

We decided to get together for an emergency MBIES band practice after what happened in school yesterday.

(This is what happened.)

It was break time, and a group of us were chatting about our favourite BANDS. (As you do.)

We all agreed that **DUDE3** were the BEST

BAND EVER. Apart from Marcus, who said,

Dut he was just being awkward (nothing new there). I know he likes them really, because I've seen him at a DUDE3 concert jumping around and CHERING. So I ignored him and said THIS instead:

"How about **DOCTOMBIES**? To We're a GOOD BAND, aren't we?"

I was sort of making a joke, but when nobody answered I thought they hadn't heard me. So I said it again, only much louder this time.

## 'I MEAN, EVERYONE LIKES DOCZOMBIES, RIGHT?"

Derek and Norman put up their hands.

"Of course you both LIKE them - you're in the band," I pointed out.

You're OK = not the best band, though.

There's loads of bands better than you,"

Indrani told us, which was a bit & HARSH

"I can't say you're my

FAVOURITE band as I

haven't heard you play for AGES," AM said, which was true, I suppose.

 $\mathbb{Z}^{\mathbb{Z}}$   $\mathbb{Z}^{\mathbb{Z}}$  heard you play and you're definitely  $\mathbb{N}$   $\mathbb{O}$   $\mathbb{T}$  MY favourite band,"

Marcus added.

It just would have been nice if <u>SOMEONE</u> could have said we were a good band.

Then Norman jumped up and started shouting.

You of haven't heard All the NEW songs we're writing.

than DUDES." TOO

## "IT'S TRUE," Derek agreed.

"WE SO ARE!" I added, doing air punches, while all the time thinking,

WHAT new songs?

Don't tell me - your NEW songs are all about COFOME | WOFERS!

Marcus said, like that was a BAD idea.

(It was actually a very GOOD idea.) /

"Maybe. Maybe not," I told him, being mysterious.

Then  $\widehat{\mathbb{D}}$ erek kept it all going by saying,

"We've been very busy, and our songs are

**TOP SECRET.** So you'll just have to wait to hear them. But there is  $\bigcirc \mathbb{NE}$  thing I can say..."

"What's THAT?" Marcus wanted to know.

"THEY ARE AWESOME SONGS!"

Derek was managing to make the whole NEW SONG thing sound very exciting. Even I was impressed. It made me really want to get writing, that's for sure.

## Then Marcus told me,

"If you DO write about caramel wafers, remember it was MY idea, Ok?"

"Hmmmmm," I said as Florence began waving her hands in the air to get our attention.

"Ooh, ooh, I forgot - my favourite band is

One Dimension!

"Yeah! I really like them too," Solid told us, which was a surprise.

"Their  $\square$   $\square$   $\square$  song is  $\square$   $\square$  good, isn't it?"

Indrani added.

Then EVERYONE started to talk about One **Dimension** and they all agreed with Florence about what a GREAT BAND they are.

I know All the words to their songs," ( said.

It wasn't long before a Wholes group of kids had gathered round to join in as well.

## TOGETHER!

Even Brad Galloway stopped for the singalong like he couldn't help himself.
