Introducing Klutz Jr.

Dear Klutz Retailer,

For 40 years, Klutz has been the authority on creating high-quality, innovative book and craft kits. Now we've turned our attention to our youngest learners to keep wonder, curiosity, and creativity alive while nurturing useful skills. Together with a team of early learning educators, safety experts, and kid-testers, we've created a line of products that support a child's natural instincts to play and create.

Not only does the Klutz Jr. line bring the same quality you've come to trust with the Klutz brand, it was also designed to give our retail partners multiple merchandising options so you can find the perfect home for what we hope will become a preschool destination in your stores. All Klutz Jr. products stand on their own and are also peggable, plus the handle makes it easy for little hands to tote everywhere!

We hope you'll join us in welcoming into your store the best line of book & craft kits for ages 4 and up.

Enjoy!

Stacy Lellos, mom of three,
General Manager, Klutz
