Unico: Awakening (Volume 1): An Original MangaCreated by Osamu Tezuka , By (author) Samuel Sattin , Illustrated by Gurihiru
Aug 06, 2024 | Paperback, Trade | \$16.99**A dynamic reimagining of Osamu Tezuka's classic UNICO manga for a new generation of readers.**

UNICO tells the incredible story of a young unicorn who, after enraging the evil goddess Venus, is banished from the heavens and forgets all he once was. Saved from oblivion by the kindhearted West Wind, Unico continues to help others, before having to escape Venus again and begin a new adventure.

In this first manga, Unico awakes in a mysterious land and is befriended by a resourceful watch cat, Chloe, who feels protective of the young unicorn. When they find themselves near a small village in the forest, they take refuge with a kindly, but helpless, old woman. To take care of her, Chloe begs Unico to turn her into a human girl, but that act of kindness has unforeseen consequences: Unico's love has awakened Venus and her minion, Byron, who want to destroy them both!

Conceived anew by author Samuel Sattin and artist team Gurihiru, and developed in collaboration with Tezuka Productions, *UNICO: Awakening* is a groundbreaking reboot of a beloved story by Astro Boy creator Osamu Tezuka, the "God of Manga." With striking full-color artwork and reading left to right in the Western comics style to match the original manga, UNICO is a brilliant manga series featuring storytelling at its best. **Reviews****Praise for Through the Moon (The Dragon Prince Graphic Novel #1):**

"Wartman's scripting really excels in the dialogue, capturing both the raw, unresolved emotions from Callum and Rayla and the animated series' underlying sense of humor. Bouma's art soars both in bringing the characters' emotions to visual life and the more magical elements of the story." -- CBR.com

Praise for Bloodmoon Huntress (The Dragon Prince Graphic Novel #2):

"With a vibrant color palette and moody atmosphere, Hanakata shines a new light on Xadia and the adventures of Rayla as she grows accustomed to living without her parents and facing the terrifying perils the world has to offer. Bloodmoon Huntress is a solid, cinematic installment of the series."

Praise for *I Survived the Sinking of the Titanic, 1912 (I Survived Graphic Novel #1)*:

"The first installment of Tarshis' sprawling prose disaster oeuvre for young readers is reimagined in visually interesting full-color comic panels that support its recognizable thrilling pace and convenient twists. Many of the most exciting scenes are largely wordless, spotlighting the propulsive action amid growing tensions. A fresh and interesting adaptation, making for an easy crowd pleaser." -- *Kirkus Reviews*

The Deep Dark: A Graphic Novel

By (author) Molly Knox Ostertag
Jun 04, 2024 | Paperback, Trade | \$22.99

From Molly Knox Ostertag, writer-illustrator of the New York Times and ABA Indie bestselling *The Witch Boy* trilogy and *The Girl from the Sea*, comes a darkly beautiful story of identity, family, love, loss, and magic.

Everyone has secrets. Mags's has teeth.

Magdalena Herrera is about to graduate high school, but she already feels like an adult with serious responsibilities: caring for her ailing grandmother; working a part-time job; clandestine makeouts with a girl who has a boyfriend. And then there's her secret, which pulls her into the basement each night, drains her of energy, and leaves her bleeding. A secret that could hurt and even kill if it ever got out -- like it did once before.

So Mags keeps her head down, isolated in her small desert community. That is, until her childhood friend Nessa comes back to town, bringing vivid memories of the past, an intoxicating glimpse of the future, and a secret of her own. Mags won't get attached, of course. She's always been strong enough to survive without anyone's help.

But when the darkness starts to close in on them both, Mags will have to drag her secret into the daylight, and choose between risking everything... or having nothing left to lose.

Beastly Beauty

By (author) Jennifer Donnelly

May 07, 2024 | Hardcover \$24.99

From *New York Times* bestselling, award-winning author Jennifer Donnelly comes a revolutionary, gender-swapped retelling of *Beauty and the Beast* that will forever change how you think about beauty, power, and what it really means to follow your heart.

What makes a girl "beastly?" Is it having too much ambition? Being too proud? Taking up too much space? Or is it just wanting something, *anything*, too badly?

That's the problem Arabella faces when she makes her debut in society. Her parents want her to be sweet and compliant so she can marry well, but try as she might, Arabella can't extinguish the fire burning inside her -- the source of her deepest wishes, her wildest dreams.

When an attempt to suppress her emotions tragically backfires, a mysterious figure punishes Arabella with a curse, dooming her and everyone she cares about, trapping them in the castle. As the years pass, Arabella abandons hope. The curse is her fault -- after all, there's nothing more "beastly" than a girl who expresses her anger -- and the only way to break it is to find a boy who loves her for her true self: a cruel task for a girl who's been told she's impossible to love.

When a handsome thief named Beau makes his way into the castle, the captive servants are thrilled, convinced he is the one to break the curse. But Beau -- spooked by the castle's strange and forbidding ladies-in-waiting, and by the malevolent presence that stalks its corridors at night -- only wants to escape. He learned long ago that love is only an illusion. If Beau and Arabella have any hope of breaking the curse, they must learn to trust their wounded hearts, and realize

"The gorgeous prose and the fairy-tale themes have obvious appeal, but the real strengths here are the depth of character across the board; the examination of the cost of beauty in a world that reveres it; and Isabelle herself, a shattered but not unredeemable girl with a warrior's heart." -- *Booklist*, starred review

Cut

By (author) Patricia McCormick

May 21, 2024 | Paperback, Trade | \$16.99

An astonishing novel about pain, release, and recovery from two-time National Book Award finalist, Patricia McCormick.

A tingle arced across my scalp. The floor tipped up at me and my body spiraled away. Then I was on the ceiling looking down, waiting to see what would happen next.

Callie cuts herself. Never too deep, never enough to die. But enough to feel the pain. Enough to feel the scream inside.

Now she's at Sea Pines, a "residential treatment facility" filled with girls struggling with problems of their own. Callie doesn't want to have anything to do with them. She doesn't want to have anything to do with anyone. She won't even speak.

But Callie can only stay silent for so long..

Contributor Bio

Reviews

Praise for Cut:

An ALA Quick Pick for YA Readers

A NYPL Book for the Teen Age

* "First-timer McCormick tackles a side of mental illness that is rarely seen in young-adult literature in a believable and sensitive manner... A thoughtful look at teenage mental illness and recovery." --*Kirkus Reviews*, starred review

"Like E. L. Konigsburg's *Silent to the Bone* and Laurie Halse Anderson's *Speak*, *Cut* is another authentic-sounding novel in which elective mutism plays a part, this time with humor making the pain of adolescence gone awry more bearable...an exceptional character study of a young woman and her hospital mates who struggle with demons so severe that only their bodies can confess." --*Booklist*

Ainy is excited for summer! She plans on working at her mom's clothing boutique, having adventures with her best friend, and maybe even starting to wear the hijab--just like her big sister. But when certain boys from Ainy's Muslim community keep showing up at the store to give her unwanted attention, she goes from possibly wanting to wear the hijab someday to feeling like she *needs* to wear it to get the boys to leave her alone.

But wearing the hijab doesn't do what she'd hoped: It doesn't deflect the boys' attention at all! If anything, they've found something new to harass her about. With the help of her best friend and her older sister, Ainy must channel her inner creative strength and find the confidence to stand her ground and get the respect she deserves.

This is a compulsively readable, feminist, and thought-provoking book about staying true to yourself by acclaimed author Maleeha Siddiqui.

Find Your Porpoise

By (author) M. C. Ross

May 07, 2024 | Paperback, Trade | \$9.99

Everyone's favorite dog-and-porpoise duo reunite in this sequel to M. C. Ross's smash hit, *A Dog's Porpoise*!

Autumn on the Maine coastline: beautiful red leaves, hot apple cider, crashing waves, and . . . dogs playing with porpoises? That's life for Lars and Bangor, a dog and harbor porpoise, best friends in the town of Ogunquit -- and everyone knows it. They became a sensation after Bangor was separated from his pod and trapped in the harbor, and it was up to Lars and his human, Natalie, to reunite him with his family.

Now, Bangor and his pod are back, but they're not the only newcomers in town: Ogunquit has been overrun with tourists and reporters (and in the off-season, too!) who want to catch a glimpse of the dog-and-porpoise duo. And to make things worse for Lars, a river otter named Marina has captured everyone's hearts -- including Bangor's! With Marina taking center stage, will Lars' and Bangor's friendship ever be the same again?

A Schneider Family Book Award Honor Book

From the bestselling author of *A Snicker of Magic* comes a heartfelt story about a girl who -- armed with her trusty, snazzy wheelchair -- refuses to let her brittle bone disease stand in the way of adventure.

Twelve-year-old homeschooled Olive is tired of being seen as "fragile" just because she has *osteogenesis imperfecta* (otherwise known as brittle bone disease) so she's thrilled when she finally convinces her parents to let her attend Macklemore Elementary. Olive can't wait to go to a traditional school and make the friends she's always longed for, until a disastrous first day dashes her hopes of ever fitting in.

Then Olive hears whispers about a magical, wish-granting hummingbird that supposedly lives near Macklemore. It'll be the solution to all her problems! If she can find the bird and prove herself worthy, the creature will make her most desperate, secret wish come true.

When it becomes clear that she can't solve the mystery on her own, Olive teams up with some unlikely allies who help her learn the truth about the bird. And on the way, she just might learn that our fragile places lead us to the most wonderful magic of all...

Well, I was, anyway, until my best friend, Conor, got himself transferred to the Fitz too. Now Conor owes 100,000 arcade tickets to the biggest bully around-and he only has two weeks to make it happen. Impossible? Not with my head in the game.

When they finally settle in a valley full of pools, Kai tries to invite the other children to join in his play, but the strangeness of his words drives them away. Frustrated, he kicks his most treasured stone into one of the pools and in his search for it, finds something even more valuable.

London On My Mind

By (author) Clara Alves , Translated by Nina Perrotta

Jun 04, 2024 | Hardcover \$26.99

Red, White & Royal Blue meets A Cuban Girl's Guide to Tea and Tomorrow in this unlikely London romance by debut author Clara Alves!

Sixteen-year-old Dayana has always dreamed of visiting London -- to walk along the Thames, take pictures outside Buckingham Palace, and maybe even get a glimpse of Arthur, Prince of Wales, whose marriage has been all over tabloids. But the trip of her dreams turns into a royal nightmare when her mother passes away. Now, Day must leave Rio de Janeiro to live with her estranged father and his new family in London.

As it turns out, the U.K. isn't exactly Day's cup of tea. She struggles to forgive her father for walking out on her and her mom all those years ago; fights with her stepsister constantly; detests her stepmother; and she can't even see One Direction in concert because they've been broken up for ages. All she wants to do is trade the rainy skies of London for the sun and beaches of Rio.

That's when she runs into the girl of her dreams -- literally: The coincidentally named Diana, a witty, funny, redhead who was in the middle of ... escaping Buckingham Palace? Something isn't right here, but it makes Diana all the more alluring. As time passes, and the two girls grow closer, Day can't help but wonder if there is more than a little truth to the rumors surrounding Prince Arthur -- and if Diana might be involved somehow. Is it all in her head, or could Day be caught up in a real-life royal scandal?

Contributor Bio

Clara Alves has always been passionate about books. She studied journalism and has worked in publishing for years, but she left that all behind to pursue her biggest dream: to be a full-time author. She is the author of the bestselling *Conectadas*, which has sold more than 100,000 copies in Brazil and received the Unesco C tedra de Leitura prize from PUC-Rio in 2019. She is also the author of *Romance Real*, published as *London On My Mind* in the US. Clara's work has appeared in YA short story anthologies and has been self-published on Amazon. She lives in Rio de Janeiro with her partner and spends most of her time reading and writing heartwarming clich  romance novels.

This amazing collaboration brings together two inspirational Black artists, NYT bestselling author Ashley Woodfolk and actress Lexi Underwood, for a story about the transformative power of art as protest and its capacity to change the world.

When Jordyn Jones transfers to Edgewood High, it's her opportunity to forget everything that happened at her old school. To forget what she and her friends did. To forget who she used to be. That was a different person — this is a fresh start. Now she's someone new, someone better.

Except it's the very first day of school, and somehow everyone already seems to know who she is. But Jordyn soon finds a group of friends, and she even starts talking to Izaiah, a soccer star who shares her love of art. Life is good. That's until an anonymous podcast called Tomcat Tea begins revealing humiliating secrets about Edgewood students, ruining their reputations and in some cases their futures. Jordyn and her friends know they have to do something—and this is Jordyn's chance to prove to herself that she's changed.

Jordyn's plan to take down the podcast throws her into the spotlight, and as the momentum builds, so do the risks—because Jordyn has a secret of her own, one that could ruin everything... and that a mysterious harasser online is threatening to expose.

Stepping Off

By (author) Jordan Sonnenblick

Jun 04, 2024 | Hardcover \$26.99

Jesse Dienstag's favorite sweatshirt says, "The real world isn't real." That's the slogan of the vacation-home community in Pennsylvania where his family has always spent every vacation and weekend for as long as he can remember. In the summer of 2019, as Jesse is about to enter his junior year of high school in New York City, he desperately wants to believe the slogan is true. For one thing, the two girls he loves -- equally and desperately -- are in Pennsylvania, and all the stresses and pressures of his daily life and school are in New York.

But when his parents stop talking to each other, it gets harder and harder for Jesse to maintain his dream life in Pennsylvania. And when Covid shuts New York City down in March 2020 just days after Jesse's mother leaves his father, Jesse's worlds collide.

**A Darker Mischief**

By (author) Derek Milman

Jul 02, 2024 | Hardcover \$26.99

***The Honeys* meets *The Secret History* in a work of dark academia like no other -- a boarding school thriller about a queer teen from Mississippi who finds himself swept into a world of old money, privilege, and the secret society at the heart of it all.**

When Cal Ware wins a scholarship to an elite New England boarding school, he's thrilled to leave his past behind. Back home in Mississippi, he was the poor, queer kid who never fit in. But at Essex Academy, he'll be able to reinvent himself. Or so he hopes...

But at Essex, Cal's classmates only see his cheap clothes and old iPhone. They mock his accent, and can't believe he's never left the country, or heard of The Hamptons. Cal, at his breaking point, is about to give up and return to Mississippi when he learns about a secret society on campus -- the key to becoming Essex royalty.

Cal knows he's not exactly secret society material, but to his surprise, he finds an unlikely champion in the handsome, charismatic, and slightly dangerous Luke Kim. As they get swept up in the mystery and glamour of the Rush process, Cal finds himself falling in love for the first time.

But as the initiation rituals grow riskier -- and increasingly nefarious -- Cal must decide how far he's willing to go, and how much of himself he's willing to sacrifice, to save everything and everyone he cherishes most. Because nothing at Essex -- not even Cal's first love -- is quite what it seems.

The Second Chance of Darius Logan

By (author) David F. Walker

Jul 02, 2024 | Hardcover \$26.99

Eisner award-winning author David F. Walker explodes onto the YA literary scene with a remarkable story about justice and second chances and all the ways we can make our own world in the image of our dreams.

Darius Logan is far from a hero. Since his parents were killed, he has spent most of his life navigating foster homes and shelters, abandoned neighborhoods and decaying buildings. All Darius knows is survival. Life was hard enough, but now he finds himself being hunted by the police after a drug deal he never should have been involved in goes bad. And when they catch him, Darius is positive he will spend the rest of his life behind bars.

But in place of a long prison sentence, Darius is handed an opportunity almost too good to be true: the chance to get away from his circumstances by joining the Second Chance program of the Super Justice Force, a league of people with special powers who strive to do good and protect the world from harm. Darius soon discovers a strength he never knew he possessed, but evil forces manifest and threaten to destroy everything he holds dear. Will Darius be able to save the world when he faces a deadly--and all too familiar--enemy?

This incredibly powerful YA debut by Eisner award-winning author David F. Walker, dives into matters of social justice and identity, courage and second chances, in a world where heroes loom large and what seems ordinary is anything but.

Ten-year-old Kinjal knows something strange is going on. But he does not expect his dog, Thums-up, to disappear before his eyes in the middle of the night! Even stranger, two enormous flying horses appear and insist on taking Kinjal and his twin sister, Kiya, to a place they have never heard of: the Sky Kingdom. The twins have no choice but to go if they want to see their dog again, even if that isn't why the winged pakkhiraj horses showed up in the first place. They have come to this dimension to seek help -- bees are disappearing, along with the nectar the horses need to survive.

Whisked away to a magical realm, the twins must use Kiya's scientific skills and Kinjal's love of books and language to help the horses. Once there, they discover that the disappearance of the bees is more nefarious than they thought, and the plot goes all the way to the top.

The Crossbow of Destiny

By (author) Brandon Hoang

Aug 06, 2024 | Hardcover \$25.99

Author Brandon Hoang takes readers on a high-stakes adventure through Vietnam in search of an ancient magical crossbow with the power to decimate entire armies. Perfect for fans of Percy Jackson!

When Vietnamese American Freddie Lo finds herself in Vietnam for the first time since she was little, she's not quite sure how to feel. The memories of her extended family are more like distant echoes; she has a tough time speaking Vietnamese; and she can't help but feel like she just isn't Vietnamese enough. Still, this is her chance to reconnect with her family, especially her Ong ngoai -- or grandfather -- who is receiving a big award.

That's when Ong ngoai reveals his secret: He knows the location of an ancient legendary crossbow, one with the power to decimate armies -- and he's hidden it away from those who intend to use its magic for evil. But when Ong ngoai is kidnapped, it's up to Freddie, her cousin Lien, and a mysterious boy named Duy to get to the crossbow before it ends up in the wrong hands.

In this Indiana Jones-style adventure, readers will travel through Vietnam -- from its seaside villages, to the swamps of the Mekong Delta, to the majestic Marble Mountains of Da Nang -- as Freddie learns what it takes to be a hero.

Aug 06, 2024 | Hardcover \$19.99

A chilling middle grade horror debut featuring a Black, autistic protagonist who uncovers dark secrets plaguing her new school.

Eva doesn't love being the new girl at school, but she doesn't hate it either. Thanks to her mom's job, her family is used to moving around. But Blythe Academy isn't a normal school. The teachers are all strange and insular, like they're hiding something from the students . . .

To most students it's just a scary story. But it's not long until Eva is having her own terrifying run-ins with the ghosts, and they seem to be trying to communicate with her. Soon she's having unnerving visions that seem to predict another collapse. Add in suddenly having to move into the dorms and her classmates finding out she's autistic before she's ready to tell them and Eva is completely overwhelmed.

Eva wants to tell people about her suspicion -- she doesn't think the collapse was just a tragic accident. It was caused by a malevolent force, and that force is back and hungry for more. As time begins to run out, will Eva be able to discover the

**Before the Ships: The Birth of Black Excellence**

By (author) Maisha Oso , Illustrated by Candice Bradley

Aug 06, 2024 | Hardcover \$25.99

***Before the Ships* is a powerful and poetic celebration of the early roots of Black history. The great achievements and accomplishments across Africa prior to the Transatlantic slave trade are told through melodious text and evocative illustrations, that culminate into the strength and resilience of modern-day Black people.**

For so many of us, the first introduction to Black history begins with lessons about slavery. While slavery is a crucial part of African-American history, it is not the beginning. In fact, there is a rich history tied to the continent of Africa that deserves to be told and to be marveled at-- which is exactly what Maisha Oso does in *Before the Ships*. With sparse yet moving text, Maisha takes us back in time to before the advent of the Transatlantic slave trade. We see the grandness of African royalty, the bravery of warriors like the Queen of Kush, and stories being told in song with griots and drums. Candice Bradley's gorgeous and reflective illustrations illuminate the strength of Black history and Black joy, reminding readers about the power within us all.

Contributor Bio

Maisha Oso is the author of *Buster the Bully*, Welbeck Kids 2021, and the forthcoming picture books, *My Hair Is a Book*, Harper Collins 2024, and *Before the Ships*, Scholastic 2024. She writes stories to empower, entertain, and encourage emotional intelligence in young children. A former strategy & analytics professional from New York City, Maisha is currently working in her most challenging role to date: a stay-at-home mom of three tiny humans. When she is not writing, you can find her wrangling her kids, binge-watching an unhealthy amount of reality television, or belting out lyrics from the Hamilton soundtrack. After living abroad for several years in Africa, Maisha and her family have recently moved back stateside to Alpharetta, Georgia.

Candice Bradley is a self-taught author and illustrator, from the San Francisco Bay Area. Her passion today has evolved into a love for storytelling in all its various forms and has led to her most recent studies of Film and TV at NYU's Tisch School of Arts. Candice's hope as an artist is to support the movement of writers and storytellers, redeeming the narrative for minorities and people of color.
