# Community Quilt: Data Sheet

It is Brice's 100<sup>th</sup> anniversary. Local businesses and schools in Brice made a community quilt to honor the event. Each block in the quilt shows a business or school that took part. The Quilting Club sewed the blocks together. The quilt will hang in the Brice Town Library.

Note that you make a quilt by sewing pieces together. Each piece is a *block*. Use the key below the quilt to see what the symbols in each block mean.
