**“I love this book because it shows the life of a little mouse throughout the seasons in an adorable fairytale style that you can’t help but wish is true.”**

## **Such a Little Mouse**

*By Alice Schertle*

*Illustrated by Stephanie Yue*

With Alice Schertle’s sweet descriptive language and touching illustrations from Stephanie Yue, a little mouse interacts with the world around him. Every season of the year, “such a little mouse” pops out of his hole and goes out to explore the wider world.

*And way down deep in the hole lives a mouse.*

*Such a little mouse,  
with his smart gray coat,  
with his ears pink as petals,  
with three twitchety whiskers  
on each side of his nose.*

**Ages 3 to 5**

**Perfect for young readers who like a cozy bedtime story that feels retro and gentle.**
