### **Grimmtastic Girls #1: Cinderella Stays Late**

*By Joan Holub & Suzanne Williams*

Holub and Williams' Goddess Girls series got kids interested in Greek mythology, and now *Grimmtastic Girls* will get them interested in fairy tales! *Cinderella Stays Late* is a delightful story, filled with beloved characters like Rumpelstiltskin, Humpty Dumpty, and the Jabberwocky. Half the fun of the book is recognizing them all!

Being the new girl at Grimm Academy is hard enough without Cinda's stepsisters being mean to her. When Cinda learns her stepsisters have something evil planned for Prince Awesome's ball, she braves fancy dresses and dancing to stop them. This Cinderella's happily-ever-after is a little different from the classic story. Cinda knows there are more important things in life than worrying about a Prince falling in love with her, such as school, spending time with her friends, and making sure good always wins over evil!

**If you love *Whatever After* and the *Goddess Girls* series, you'll love *Grimmtastic Girls*!**

**Ages 8-12**

*"Cinderella Stays Late is charming, funny, and magical. It's the perfect springboard into reading classic children's stories from Perrault, the Brothers Grimm, and many more!"*
