## Echo

By Pam Muñoz Ryan

Music, magic, and a real-life miracle meld in this virtuosic, genre-defying tour de force from storytelling maestro Pam Muñoz Ryan. Three stories converge in an orchestral crescendo that will resound in your heart long after the last note has been struck. Richly imagined and structurally innovative, *Echo* pushes the boundaries of form and shows us what is possible in how we tell stories.

**Ages 10 to 14**

**Great for readers who like their historical fiction with a touch of magic realism.**

“I love this book because of the ways three diverse stories weave together so seamlessly.”
