## How Do Dinosaurs Stay Safe?

By Jane Yolen

Illustrated by Mark Teague

The wildly funny contrast between Teague's massive dinosaur children and their human-sized surroundings makes this subject especially engaging and funny. As children learn invaluable rules about safe behaviour, they'll beg to read it again and again for the wildly appealing silliness on each page.

**Ages 3 to 5**

**If you enjoyed the other books in the How Do Dinosaurs series you won't want to miss this one!**

**"I love this book because the silly dinosaurs are perfect to help teach safe play, but not in a scary way."**
