Rules of Summer

By Shaun Tan

Join two brothers who romp, fight, parade and play their way through summer in this beautiful book by Shaun Tan. The rules delivered in one line are accompanied by lush, brilliant illustrations; the likes of which could only come from Shaun Tan. It's an imaginative tour de force that will have you revisiting its pages over and over and perhaps taking a different journey each and every time. Trust me, you will go back again and again.

Ages 4 & up

If you love Shaun Tan's *The Arrival* or *Lost and Found*, you'll love *Rules of Summer*.

"I love this book for more reasons than I can say here in a few words, but it's one for the ages...all of them, kids, teens and adults alike." — Susan
