The Sin Eater's Daughter

By Melinda Salisbury

Sixteen-year-old Twylla lives in the castle. But although she's engaged to the prince, no one speaks to her. No one even looks at her. Because Twylla isn't a member of the court. She's the executioner. A treasonous romance is the least of Twylla's problems. The queen has a plan to destroy her enemies — a plan that requires an unthinkable sacrifice. Will Twylla do what it takes to protect her kingdom? Or will she abandon her duty in favour of a doomed love?

Great for readers who loved

“I love this book because it's a dark and sophisticated fairy tale, all grown up and action packed.”
