Away We Go!: A Shape-and-Seek Book

By Chieu Anh Urban

A perfect board book for tiny hands! *Away We Go!* turns brightly coloured geometric shapes into sailboats, airplanes, trucks and more, through a series of clever die cuts. The challenge is to find the shapes in the vehicles and the vehicles in the shapes as they are repeated throughout the book. Full of search and find games, and irresistible drawings.

Ages 0-3

“I loved this book because kids have so much fun with it, they aren’t aware of what they’re learning.”

— Janet
