The Killing Woods

By Lucy Christopher

Ashlee Parker is dead, and Emily Shepherd's dad is accused of the crime. A former soldier suffering from PTSD, he emerges from the woods carrying the girl's broken body. "Gone," he says, then retreats into silence. What really happened that wild night? Emily knows in her bones that her father is innocent — isn't he? Before he's convicted, she's got to find out the truth. Does Damon Hilary, Ashlee's charismatic boyfriend, have the answers? Or is he only playing games with her — the kinds of games that can kill?

This book is suited to sophisticated teen readers who like a bit of a scare.

"I love this book because of the skillful way Lucy weaves multiple storylines – dark, scary and romantic – in such a readable way."
