Undead

By *Kirsty McKay*

The day of the ski trip, when the bus pulls up at a roadside restaurant, everyone gets off and heads in for lunch. Everyone, that is, except the new girl, Bobby, who stays behind with Smitty, the class bad boy. Then hours pass. As the snow piles up and darkness falls, Bobby and Smitty begin to worry. Until they finally see the other kids heading back. But they've changed. And not in a good way. Yeah, they're zombies. And the doors to the bus are all that stand between Bobby and Smitty becoming their next meal!

“It made me laugh and go ewww, often on the same page. Imagine Sean of the Dead meets The Shining!”
