What If You Had Animal Teeth?

By Sandra Markle
Illustrated by Howard McWilliam

What if your front teeth looked more like those of a beaver, a narwhal (!), an elephant, a rattlesnake, or even a naked mole rat? Well, first of all, you would look pretty funny. But you would also be able to do a lot of things you can't do right now! This book will make you giggle as it tells you why animals have the teeth they have.

Ages 6-8
