Famous Last Words

By Katie Alender

Willa is freaking out. It seems like she's seeing things. Like a dead body in her swimming pool. Frantic messages on her walls. A reflection that is not her own. It's almost as if someone — or something — is trying to send her a message. Meanwhile, a killer is stalking Los Angeles — a killer who reenacts famous movie murder scenes. Could Willa's strange visions have to do with these unsolved murders? Or is she going crazy? And who can she confide in? All Willa knows is, she has to confront the possible-ghost in her house, or she just might lose her mind . . . or her life!

Fans of *Pretty Little Liars* will love this book!

“I love this book because it's a classic spine-chilling mystery set in modern Hollywood. It's full of glamorous people, beautiful mansions, a few ghosts, and one serial killer.”
