## What's New? The Zoo!: A Zippy History of Zoos

By Kathleen Krull

Illustrated by Marcellus Hall

Did you know the first zoo was established 4,300 years ago in present-day Iraq? Or that 50 buffalo passed through Grand Central station in 1907 on their way to the Bronx Zoo? *What's New? The Zoo!* is a fascinating look at our millennia-long history of keeping animals, and the ways animals have changed us in turn.

Ages 4-10

"I loved this book because of the hilarious animal illustrations and quick snippets of interesting historical facts that are sometimes funny and other times educational." — Keri Anne
