Books We Love This Month

The Bird King: An Artist's Notebook

By Shaun Tan

Those who adore *The Arrival* will love seeing some of the first sketches Shaun Tan made while figuring out his plot and characters. The “Book, Theater, and Film” section gives you an inside look that demystifies his process while also leaving you in awe. This is an intimate look into the creative process of an amazing artist and an inspiration for all who like to put pen, pencil or any other medium to paper or film. Fans of all ages will gain insight into how Shaun Tan’s beautiful books are made, including ideas that never took off — leaving you feeling like you are right in the studio with him.

Ages 10 & up

“I love this book because it takes you through the eyes and mind of this amazing artist.” — Susan
