Books We Love This Month

The Granddaughter Necklace

*By Sharon Dennis Wyeth
Illustrated by
Bagram Ibatoulline*

This beautifully illustrated book is an homage to the tradition of oral storytelling passed down through many generations of women in this author's family. The vehicle for tracing the roots of this family's important moments is a simple but precious circle of beads passed from the women to their girls. From Ireland to Africa, these proud women journey from the old world to the new, past to present, mother to daughter with dignity.

Ages 4-8

"I love this book because I plan to give it to my granddaughter and I hope we start our own chain to be passed down through the generations of our family." — Susan
