Blue Lily, Lily Blue: Book 3 of The Raven Cycle

By Maggie Stiefvater

Blue Sargent has found things. For the first time in her life, she has friends she can trust, a group to which she can belong. The Raven Boys have taken her in as one of their own. The trick with found things, though, is how easily they can be lost. Friends can betray. Mothers can disappear. Visions can mislead. Certainties can unravel.

"I love this book because even though it's a paranormal thriller, it's altogether believable and steeps you in a world with characters you do not want to leave."
