## Noodle Magic

By Roseanne Greenfield Thong

Illustrated by Meilo So

Grandpa Tu is famous for his special noodles, and as the emperor's birthday approaches, he teaches his granddaughter, Mei, the family trade. Mei struggles to find the magic needed to make noodles. Ultimately, she finds the magic — and the ability to succeed — within. Mei doesn't just make noodles — her magic noodles in varied shapes and sizes rain down from the sky!

**Ages 4 to 8**

**This is a great book for lovers of folktales, even though the story is a new one.**

**“I love this book because it's not only beautifully illustrated, it's also a tale of inner strength and believing in oneself.”**

— Susan
