After Dinner Barf Chapter 9: I See Bones

Working with Words—Adverbs

An *adverb* is a word that modifies a verb; it describes the verb and adds to its meaning by telling:

How? When? Where?

For example: She followed the diet **carefully**. (how)

He left **early**. (when)

She ran **away**. (where)

Complete each sentence with an adverb:

1. Angela called _____.
2. Sal ran _____.
3. Tina looked _____.
4. She stopped _____.
5. Chris talks _____.

Write three sentences and circle the adverbs.

1. _____
2. _____
3. _____
