## *Beating Up Daniel* Chapter 5: Hanging Out

### Working with Words—Class Behaviour

In order to get the most out of class, students should come prepared to learn.

The following guidelines are helpful.

1. Bring the materials required.
2. Get to class on time.
3. Greet the teacher.
4. Listen carefully.
5. Follow classroom rules.
6. Use class time productively to work on assignments.
7. Ask for help when required.

1. What are the classroom rules in your English or Language Arts class?

---

2. Which rule do you need to work on the most?

---

3. How can you improve your listening skills?

---

4. Which of the above guidelines do you think is most important?
