Dear Liz Chapter 3: Jeffrey Who?

Working with Words—Study Skills

Create a one-day schedule for Monday, outlining everything you would do in one day. Include the following activities:

- School begins at 8:30 a.m.
- Five classes of one hour each
- One-hour math tutoring session
- One-hour homework
- Study for science test
- Basketball practice
- Other (things you usually do)

You might use a template like the example below.
