

Bayview High

Dangerous Rivals Chapter 13: You're Out!

Working with Words—Point of View

Point of view is a particular attitude or opinion someone has about something. In Chapter Thirteen, Holly's point of view is that Shawn is a bad friend because he:

- never listens to her.
- forgets when they make plans.
- calls off plans at the last minute.

What is Shawn's point of view of his relationship with Holly?

What would your point of view be about Holly and Shawn's relationship?
