## The Edge Chapter 16: High Noon

### Working with Words—Comparatives and superlatives

Most adjectives and adverbs have three forms: the positive, the comparative and the superlative

EXAMPLE:

Positive	Comparative	Superlative
soft	softer	softest
fast	faster	fastest
good	better	best

Use the comparative to compare two things, then the superlative to compare three or more things.

1. Write the comparative and superlative form of each word below.

- soon \_\_\_\_\_
- great \_\_\_\_\_
- easy \_\_\_\_\_
- edgy \_\_\_\_\_
- wild \_\_\_\_\_
- quiet \_\_\_\_\_

2. Write two sentences about Ethan and his stepfather, Paul, using some of the words from above.
