The Edge Chapter 8: The Mighty Zoltan

Working with Words—Anachronism

Mixing references from one time period into another creates an anachronism. For example, Kat's game includes a reference to an "atomic crossbow." Why would that not make any sense? Find one other example of an anachronism on page 52.

Write four more anachronisms. The first one is another example.

1. My dad's great-great-grandfather flew around the world on the Concorde.
