

# Bayview High

*Making the Grade*  
by H. G. Sotzek

## Before You Read — Pre-Reading

Read the title of the book. Jot down three thoughts that come to mind.

Imagine that you are a student at Bayview High School. Design a report card for the school.

- Give the report card a logo—a graphic or a slogan
- List the name, address, website, and phone and fax numbers for the school
- The principal's name is Mr. Honsberger
- The student's name will be your own
- List the subjects you are currently taking in your grade
- Give the grade that you expect to achieve on your next report card
- Give the comments you expect your teacher to make about your achievement, effort and responsibility as a student.
