Chapter 20: Getting a Clue

Working with Words—Menu Planning

You and your catering company have been hired to cater the buffet at the premiere of Nicole's movie. Plan a menu which includes the following items:

- Four kinds of hot finger food
- Four kinds of cold finger food
- Four kinds of sweets that can be eaten without a fork.

HINT: Read cookbooks and magazines, watch the cooking shows on TV, or search online for recipes. Remember that a gala such as the premiere of a movie will serve the best of foods.
