Chapter 1: Get in the Game

Working with Words—Specialized Words

Some activities or areas of study have their own vocabulary or specialized words.

For example:

FOOTBALL: kickoff, quarterback, shotgun formation, yardline

MATHEMATICS: equation, denominator, fractions

MUSIC: hip-hop, CDs, jazz, rock

Find five words on pages 7 and 8 that are special to the activity of playing poker. Use the text or a dictionary to define each word as it is used in the game of poker.

For example:

Shuffling means to mix up the cards again after a hand is played.
